Dear Mihajlo Delić:

On behalf of the Amateur Athletic Union of the United States, Inc. and its Basketball Department, we are very excited about establishing a relationship with the Sports and Youth Humanitarian Organization from Serbia, the “I CAME TO PLAY” program, as the AAU looks to enhance its International presence and relationships.

We cordially extend a personal **INVITATION** to the “I CAME TO PLAY” organization to participate in one of our premiere summer basketball events, the **AAU Super Showcase**, which will be held in **Orlando, FL** at **Disney’s ESPN Wide World of Sports Complex**, from **July 11 – July 15, 2019**.

Our AAU President/CEO, Dr. Roger J. Goudy, has made *international expansion* of the AAU brand a worldwide priority during his tenure and this includes partnering with countries around the world who want to be associated with the oldest and most recognizable youth sports organization in the United States. The principles and standards we have established to ensure athletes compete in a safe and organized environment and have opportunities to compete at the highest level are essential.

AAU Basketball has a long history of welcoming teams abroad to compete here in the States and AAU Teams are just as eager to return the favor. Once again, we welcome the “I CAME TO PLAY” organization to Orlando, Florida. Attached you will find an **ENTRY PACKET** of information for the **AAU’s Super Showcase** event that will have all of the pertinent information and the necessary requirements needed to prepare your team for entry into this event. If you have any questions, feel free to contact the AAU Basketball staff at aubasketball@aausports.org or call **407-934-7200** and ask to speak with a staff member.
